

WE ARE HIRING!

Maurice Stratégie is a research institution with the predominant role of contributing to public action through research, analysis and consultations.

Economic Consultant

Requirements

The consultant should have at least a Postgraduate degree in economics, with a preference for a Ph.D. in the same field, and at least 5 years of relevant working experience. The Consultant should have significant academic and professional experience in using econometrics and other modelling tools.

Responsibilities

- Constructing, updating, and calibrating econometric models and tools.
- Preparing reports using econometrics and other modelling tools on economic, social, and environmental matters of interest.
- Providing support to Maurice Stratégie on analyses in socio-economic reports.
- Training and capacity building in econometric models and tools.

Mode of application

Interested candidates are invited to submit their applications on **info@mauricestrategie.org** by **Thursday 16th November 2023**. Applications received after the closing date will not be accepted. Only the best qualified candidates will be called for interview.

Maurice Stratégie reserves the right not to make any appointment as a result of this advertisement
